

DIRECT

In 1990, Cutter & Buck began creating top-quality sportswear for the golf course and beyond. Today, their designs span your whole lifestyle – keeping you polished and professional at work, comfortable during downtime and ready even in ever-changing weather like ours.

The CB Direct Program is a partnership between Cutter & Buck and the MSOE Bookstore to provide an opportunity for our customers to purchase a larger selection of high-quality sportswear in a variety of sizes.

Any item with the CB Direct in the description will be shipped directly from Cutter & Buck to you in approximately 10 – 14 days.

Thank you for your purchase!
